****Updates to the New Palgrave Dictionary of Economics Online****

The first update to the 'New Palgrave Dictionary of Economics Online' is now live. This update includes five new, specially commissioned articles, along with 19 biographies of key figures from the world of economics that originally featured in the 1st edition of the Dictionary. For more information about this update, see http://www.dictionarofeconomics.com/resources/default/online_updates

The next update will take place in December and will include five new articles and 10 biographies from the 1st edition.

Why not see for yourself how valuable the online Dictionary is for your library users and request a free trial today? We offer free 2 week trials to all prospective institutional subscribers. Email librarians@palgrave.com for further information.

****LATEST BOOKS NEWS****

****Special Offer – British Film Institute****

The British Film Institute has recently published the final volume in a twelve volume set entitled 'The Griffith Project.' The largest monograph ever assembled on an individual film director, The Griffith Project brought together 35 specialists in silent cinema to write commentaries on more

than 600 films written, produced, supervised by or starring D W Griffith, one of the pioneers of early American cinema.

Unearthing an impressive wealth of knowledge as well as an equally amazing array of new questions, 'The Griffith Project' is a truly comprehensive series.

Palgrave Macmillan and BFI Publishing are offering a special price of £450 on the complete set (£570 when purchased separately).

Visit <http://www.palgrave.com/bfi/> for more information about BFI titles published by Palgrave Macmillan.

****The Statesman's Yearbook 2009 Online – Activate Your Online Access Today!****

After 145 years in print, 'The Statesman's Yearbook' is now available online, providing speedy access to accurate and up-to-date information on every country in the world.

Every purchase of the book includes single-concurrency access to the full text online. Users will benefit from the increased interactivity and mobility that comes with the new resource, including monthly updates to ensure the latest information is only a click away. ****LATEST JOURNALS NEWS****

****New Journals confirmed****

We are pleased to announce that from 2009, Palgrave Macmillan will be publishing the following journals:

- * [European Journal of Development Research](#), on behalf of the European Association of Development Research and Training Institutes (EADI), previously published by Taylor & Francis
- * [Business Economics](#), on behalf of the National Association for Business Economics (NABE)
- * [OR Insight](#), on behalf of the OR Society

****New online service for International Abstracts in Operations Research from 2009****

IAOR Online is a unique and continually growing reference database which builds upon the rich heritage of the print product, but adds enormous value by providing additional functionality for those wishing to search and browse the relevant literature. IAOR Online includes abstracts from 1989 to the present, and for 2009 will be updated weekly.

****2009 prices available****

Palgrave Macmillan are pleased to announce that details of our new 2009 journal subscription rates are now available at:

**** Don't lose access to your online subscriptions! ****

IMPORTANT! All current print and online journal subscribers need to subscribe to a site license to continue to get online access to Palgrave Macmillan Journal Subscriptions.

To prevent a lapse in access, convert your online subscriptions to a site license. Unless you (or your subscriptions agent) have contacted Nature Publishing Group (NPG) to renew your site license for 2009, your institution's online access will cease at the end of your current subscription period.

Remember – the Palgrave Macmillan journals portfolio is available for site license access through NPG. To continue your online access without interruption, contact your local [NPG sales representative](#). If you do not have a NPG sales representative, contact: p.brown@natureny.com (for US) m.larcher@nature.com (for non-US)

For more information about NPG site licenses, visit the Librarian Gateway: <http://www.nature.com/libraries/>
