

- \* A fascinating analysis mixed with first-hand accounts of how the Arab world is turning away from the West and rediscovering China
- \* The author draws on 15 years working as a financial analyst in China and the Middle East and a first-hand knowledge of Arabic, Chinese and English to reveal a view that isn't usually available in the English-language media

- \* Detailed analysis of joint ventures and other corporate governance case studies offer a deeper understanding of how companies in China really work
- \* Writing not just about cultural differences, the author takes an almost forensic approach to the analysis of company accounts and records and provides valuable tools for senior managers preparing to do business in China
- \* Stewart Hamilton is the author of bestselling *Greed and Corporate Failure* (2006): 5,000+ copies sold to date

- \* One of the first books to focus on the internationalization strategies and challenges of Latin American multinationals which are growing in number
- \* Based upon original research conducted at INSEAD in collaboration with the Inter American Development Bank
- \* Part of the hugely successful INSEAD Business Press series
